Red Door Daily

Happy Friday Red Door!

I reached out to every family via email yesterday (Thursday) to confirm a plan about materials. Thank you for working with me on this!

If I did not hear back from you yesterday, I will follow up with a phone call today. If I don't hear from you today, I will assume you do not want me to come, and will reach out about a time you can come to school to retrieve your belongings.

Hope you have a great weekend, and I am looking forward to Monday!

Love and Gratitude,
Erica

Today's Mindfulness: Work Ethic

Work ethic is the belief that hard work is important. Strong work ethic is an important part of being successful now in the future.

Challenge Question: Is being done with your work god enough? Why or why not?

Strong work ethic can help you rise to your potential. What is one way you will show strong work ethic today? How will it help you succeed?
