

WEEK 21 REMOTE LEARNING

NATIONAL SPEECH AND DEBATE EDUCATION DAY

- Which physical activity/sport is the most fun to play?
- How do you play?
- What are the rules?
- Why is it so much fun?
- Why should other people play?

My Example:

Running is the physical activity that is the most fun to me.

When I go running, the rules are to **keep moving and to stay out of the street.**

I have fun **listening to music and feeling my heart work harder and beat faster** when I run.

Other people should try running **because it gives me a sense of freedom that I hope everyone can feel.**
