

Opening Day

April 1st symbolizes the opening day for Major League Baseball. This is a very exciting day for men, women, and children all around the world! With that said, I want to take this opportunity to remind us that both men and women should be encouraged to try ALL sports. If you are someone who is wondering if you should try something new, just remember..

YOU DESERVE AN OPPORTUNITY TO FIND SOMETHING YOU LOVE TO DO.

Attached directly below is a link to a, "*What Would You Do?*" video. It involves a young girl who wants to learn how to play baseball and her unsupportive father. He does not think baseball is for girls. Strangers, both young and old, show the girl love and support for her desire to learn. Please watch and pay close attention to how this video makes you feel.
